The Boston Region Metropolitan Planning Organization (MPO) is soliciting project proposals for the Federal Transit Administration's Job Access and Reverse Commute (JARC) (49 USC Section 5316) and New Freedom (49 USC Section 5317) Programs in the Boston Region MPO area. Proposals and projects should meet the objectives and requirements of these programs. Background information and materials needed for project applications can be found at the MPO's website, [www.bostonmpo.org](http://www.bostonmpo.org). Completed applications are due to the MPO by March 5, 2010, at 4:00 PM.

The available funding for the Boston Urbanized Area is \$3,218,695 for the JARC Program and \$2,263,843 for the New Freedom Program. Eligible applicants include private non-profit organizations, state and local government authorities, and operators of public transportation services, including private operators of public transportation services.

JARC provides grants to support the development and maintenance of projects designed to transport welfare recipients and eligible low-income individuals to and from jobs and activities related to employment. New Freedom provides grants for new public transportation services and public transportation alternatives beyond the requirements of the Americans with Disabilities Act of 1990 that assist individuals with disabilities.
